Stylist Tools

Website & Mobile App

Smart communication tools are available on Stylists' personalized websites, in the back-office and in the CCO Mobile App. Each of the tools make it easy for a stylist to be efficient and very productive.

A Stylist can track all sales activity and communicate with their prospects, customers and team members.

BE BOLD BE YOU BE ORIGINAL

At CC Originals, there is a design for everyone. We want you to express YOU and your originality.

All of our custom-made shirts are printed DTG (direct to garment) with care and love by a family owned business right here in the United States!

CC Originals has a favorite T-shirt and once you wear one, it will be your favorite too. Our unisex boyfriend tees are super soft & comfy. You'll never get a hard-crunchy shirt from CC.

We have weekly releases every Wednesday to add to the 1,000s of shirt designs we currently have on our website.

CC Originals also releases boutique clothing, accessories and jewelry.

THANK YOU

So excited that you took the time to
check out our amazing Stylist
Opportunity. If you are ready to join, you
can connect with your personal stylist in
CC Originals back-office.

If you do not have a personal stylist,
connect with us on Facebook,
we can help.
